

CIBC "Spirit of Leadership" Community Award Program

Giving back to the communities in which we do business is an important part of the CIBC culture. The CIBC "Spirit of Leadership" Community Award program recognizes and

celebrates our Commercial Banking clients' efforts to give back to the communities in which they do business. Each year, the CIBC "Spirit of Leadership" Community Awards are presented to CIBC Commercial Banking clients that demonstrate unique corporate giving and community spirit initiatives.

An adjudication panel of community and business leaders determines the CIBC "Spirit of Leadership" Community award nominees and award recipients. Client initiatives from across the country are evaluated on their integration into their corporate culture, the overall employee engagement and the impact to the nonprofit or charitable organization.

CIBC Commercial Banking is proud to partner with the recipients and nominees of the 2006 CIBC "Spirit of Leadership" Community Award program:

\$5,000 Donation Recipient - Running Room Ltd.

The Running Room is a \$5,000 winner for their commitment to the Canadian Breast Cancer Foundation CIBC Run for The Cure. By leveraging their store locations, employee spirit and new product introductions, the Running Room continues to take on a national leadership role with a contagious entrepreneurial spirit. John Stanton donated the \$5000 award to the Canadian Breast Cancer Foundation.

CIBC
Commercial Banking
Partnering with Canada's Best™

CIBC Commercial Banking, on the recommendation of an adjudication panel of community and business leaders across Canada, is pleased to confer upon
