

New Discount Code Option for Registration and Event Fees

Race Directors now have the option of applying a discount code that will waive the registration and event fees.

A Free discount code is perfect if you have Individuals or Volunteers that you would like to offer a Free entry into the event. Here is how it works. You can submit a code and we can set a coupon code with the race amount in the event coupons. For example if your event fee is \$10.00. We add the code, coupon amount and the expiry date.
