

**Online Reimbursements** - The Running Room registration system logs all on-line payments that take place through our secure payment portal and these are designated as online payments. Depending upon the race set up there can be up to three revenue streams associated to a race.

1. Applicant Registration fees - fees related to the applicants entry costs and other associate costs that the race may include. Payable to the race organization monthly.
2. Applicant donations - donations to the event charity made by the applicant at point of registration. These donations are all logged here and are payable to the official charity directly. This reimbursement will be made direct to the Charity by the Running Room.
3. Pledges - an athlete can pledge themselves and or solicit pledges from friends and family. These pledges are all logged here and are payable to the official charity directly. This reimbursement will be made direct to the Charity by the Running Room.
