

Ace your Race

Duplicate your race for 2019!

Submit your race details early for the 2019 race season.
The race duplication tool allows you to easily create a new race.

A screenshot of a web interface titled 'Race Director' with a sub-header 'Upcoming Races'. A specific race is listed: 'The Running Room Event! July 1'. Below this, there is a 'View more...' link and a 'Duplicate Race' button. Under 'Duplicate Race', there is a dropdown menu with 'Please select...' and a double arrow icon. Below that is a 'Continue with draft' section with another 'Please select...' dropdown menu. At the bottom of the interface are three red buttons with white text: 'CREATE NEW RACE', 'RACE MANAGEMENT', and 'RACE DIRECTOR DASHBOARD'.

Setting up next years event is simple.
Follow these 5 easy steps.

1. Login to RunningRoom.com - Login Page.
2. Select your event on the Duplicate Race menu.
3. Select the new date of the race.
4. The form repopulates the dates and fees.
5. Review, save, and submit the form with the 2019 event details.

When you submit your event you will receive an email notification of your submission and our event team will email you once the race setup.

If you need assistance you can reach out to our race director [support group](#).

Thanks,
Running Room Events Team
