

Ace your Race

Now! Save your Race Draft! - Race directors now have the ability to save a draft of your race registration page and go back at a later time to edit details. When a draft is saved, Race Directors receive an email notification with a direct link back to the saved draft. A link to the draft also appears on the Race Director's Dashboard for re-entry.

The form is fully responsive allowing easy access from your mobile device!

Submit your race details today. Get an early start in promoting your events for the 2017 race season! Design and hosting will be done by our Running Room Web Development Team FREE of charge. Our easy to use Race Submission page is simple to fill out and in most cases we can have your event live in 1-2 business days.

Thanks,

Running Room Events Team
