My Fundraising Goal

Please enter your personal fundraising goal if you will be fundraising. When your registration is complete you can visit your new Fundraising Summary page to see your progress. Your fundraising goal can include both online and offline donations.

- KidSport Canada-Alberta**  
KidSport Edmonton removes the financial barriers that prevent some children from participating in a sport of their choice. We raise funds for children who might not get the chance to participate in sport without our help.

This is a great feature that allows applicants to set fundraising goals immediately and displays the goal on their fundraising home page.

Thanks,

**Running Room Events Team**
