

Ace your Race

## Volunteer Registration - Did you know that Race Directors can set up their races to include Volunteer Registration?

Our one stop volunteer registration portal allows you to recruit volunteers, assign them positions and provide notification of their volunteer roles. Now the new Volunteer page upgrade make it easy for mobile registration!

Volunteers can register Free On-line to offer their services. We make the registration procedure easy and clear.

- They have the ability to select from number of volunteer jobs available as posted by the race director.
- They can provide personal job preferences in the order of first, second and third choice.
- They sign the waiver for volunteer involvement in the event.

The Race Director has the ability to:

- Set the positions available.
- Determine the maximum number of volunteers required.
- Send greetings and instructions to all volunteers.
- Print out volunteers lists by area of responsibility.
- Assign t-shirts to volunteers.
- Track t-shirts needed by size preference.
- Make changes to volunteer data if required.
